Over 100 Kansas Librarians are Certified Public Library Administrators

by Shannon Roy, Continuing Education Coordinator

One hundred and eleven Kansas library staff have sent their applications to become certified Kansas Public Library Administrators.

All public library administrators are invited to apply for certification at the level appropriate for their education and training. Those who wish to review the program may find the publication at:

http://skyways.lib.ks.us/KSL/development/certificationprogram.pdf

The *Kansas Libraries Newsletter* will continue to post the certifications that have been awarded. This fall, certification was awarded to:
