Device Management

- **Deactivated devices**
 - 19 have been deactivated (as opposed to suspended) as of May 12. There is presumably a limit to the number that can be replaced without charge, we do not know if we are there yet
 - What penalties, if any, do you impose on patrons who do not return a device?
- **Update on Data usage reports from Verizon**

Promotional Materials/Patron Survey/Monthly Statistics

- Remember to report your monthly circulation stats here:
<http://kslib.info/FormCenter/Online-Forms-4/MiFi-Library-Statistics-60>. ***Three*** libraries have not reported March stats yet!
- Remember to send patron evaluations (<http://kslib.info/DocumentCenter/View/3870>) to Candace either by scanning and emailing or through the mail/courier. **Please send evaluations at least monthly.**

Project contacts list

Ideally there should be at least two contacts listed for each pilot location. We would like to include onsite IT staff if you have any. Please send contact updates to Jeff.
