## Kansas Library eCard FAQ

**What can I do with a Kansas Library eCard (KSLC)?** Access research databases and learning modules. Use the Digital Book eLending project, which includes eBooks, downloadable audiobooks, and animated storybooks.

**How do I get a KSLC?** Request a card at your local public, school, academic library or the State Library.

**Who can get a KSLC?** Any resident of Kansas may ask for a Kansas Library eCard. Libraries & schools may require some proof of residency before issuing the card. There is no age limit, but very young Kansans will need a parent or guardian to request a card on their behalf.

**How does the KSLC work?** Your librarian will issue you a 6 digit card number. This number, with your date of birth, allows login from anywhere with Internet access (so it will work no matter where you travel). Birth dates must be entered as MMDDYYYY format.

**How do I access the databases?** Log in at [kslib.info/ecard](https://kslib.info/ecard). You may be able to access without login from <https://kslib.info/databases>

**How do I use my KSLC for audiobooks or eBooks?** Visit [kslib.info/digitalbooks](https://kslib.info/digitalbooks) for full instructions as these vary by service.

**When does a KSLC expire & can I renew it?** Cards expire 3 years from the date issued. Renew at any library or call the State Library. Check your card's expiration date by logging in to [kslib.org](https://kslib.info).

**What do I do if my KSLC is lost?** Any Kansas library can look up your number & issue a replacement card.

**Can I get an eCard if I'm in the military, but currently based out of state or overseas?** Yes. Email [kslc@ks.gov](mailto:kslc@ks.gov) from your military email. All services work from anywhere!
