HeinOnline for state agency use can be accessed at <https://kslib.info/agencies> (see under Online Databases for State Agencies). Employees working remotely should contact the State Library for remote access.

Searching for Chapters in Kansas Session Laws

- >Session Laws Library
- >State Session Laws
- >Session Laws Quick Locator. Under *By Chapter*, Select *Kansas*, fill in year, and chapter number.
- >Choose Print/Download Options to receive the first through the last page of the selected chapter.

The screenshot shows the HeinOnline search interface. At the top, there are tabs for 'Full Text', 'Citation', 'Catalog', and 'Case Law'. A search bar contains the text 'Search Session Laws Library...'. Below the search bar are links for 'Advanced Search', 'Search Help', and 'Search History'. A checkbox for 'Search All Databases' is visible. The main content area is titled 'U.S. State/Territory Laws' and has three tabs: 'State Session Laws' (selected), 'State Statutes', and 'Federal Laws'. Below these tabs is the 'Session Laws Quick Locator' form. It has two sections: 'By Chapter' and 'By Page'. Each section has a dropdown menu for 'State', input fields for 'Yr.' and 'Chapter/Act' (for 'By Chapter') or 'Page' (for 'By Page'), and a 'Search' button.

Use **ScholarCheck**  to find those articles cited most by other articles and cases, and that are accessed the most by other Hein searchers in the previous 12 months.
