EXECUTIVE ORDER 20-30

Displaying the flag at half-staff

WHEREAS, Article 1 of the Kansas Constitution vests the executive power of the State of Kansas in the Governor;

WHEREAS, under Section 4 of Article VIII of the Kansas Constitution, the Governor is the commander-in-chief of Kansas' armed forces;

WHEREAS, under Section 7 of Chapter 1 of Title 4 of the United States Code, 4 U.S.C. § 7, by order of the President, the flag of the United States ("the flag") shall be displayed at half-staff upon the death of principal figures of the United States and the governor of a state, territory or possession of the United States;

WHEREAS, in the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to Presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with the law;

WHEREAS, in the event of the death of a present or former official of the government of any state, territory, or possession of the United States, the governor of that state, territory, or possession may proclaim that the flag of the United States shall be displayed at half-staff;

WHEREAS, it is appropriate that the flag of the United States be displayed at half-staff on state buildings, grounds, and facilities as directed by the President or the Governor;

WHEREAS, it is particularly appropriate that the flag of the United States be displayed at half-staff throughout the State of Kansas as a mark of respect for the memory and in honor of the service of members of our Armed Forces killed in the line of duty and for first responders killed in the line of duty; and

WHEREAS, it is desirable to provide direction for the uniform observance of this mark of respect to state departments and agencies and guidance to the people of the State of Kansas generally on such occasions.

NOW, THEREFORE, pursuant to the authority vested in me as Governor of the State of Kansas, I hereby order and direct:

1. DISPLAYING THE FLAG AT HALF-STAFF

- a. The flag of the United States shall be displayed at half-staff at state buildings, grounds, and facilities, as provided in this Order and as otherwise directed by the Governor.

- b. All requests to display the flag at half-staff at state buildings, grounds, and facilities and any questions from state departments or agencies relating to displaying the flag at half-staff shall be directed to legal counsel to the Governor.
- c. The Department of Administration shall assist the Office of the Governor with implementing this Order, communicating directions regarding displaying flags at half-staff, and assuring compliance by state departments and agencies.
- d. When this Order provides for the flag to be displayed at half-staff on a statewide basis, Kansas residents, businesses, schools, local governments, and other organizations also are urged to display the flag at half-staff.
- e. As provided by federal law, when displayed at half-staff, the flag of the United States should be first hoisted to the peak for an instant and then lowered to the half-staff position. The flag should be again raised to the peak before it is lowered for the day. On Memorial Day, the flag should be displayed at half-staff until noon only, then raised to the top of the staff.
- f. As provided by federal law, no other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States. No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States. When flags of states, cities, or localities or pennants of societies are displayed on the same halyard with the flag of the United States, the flag of the United States should always be at peak. When flags are displayed from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No flag of a state, city, locality, or pennant of a society may be placed above the flag of the United States or to the United States flag's right. When flags of two or more nations are displayed, they are to be displayed from separate staffs of the same height. The flags should be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace. International usage also provides that the flag of another nation should never be displayed at half-staff unless authorized by that nation.
- g. As used in this Order, the term "half-staff" means the position of the flag when it is one-half the distance between the top and bottom of the staff.

2. ANNUAL DAYS TO DISPLAY FLAG AT HALF-STAFF

- a. Consistent with federal law, the flag of the United States shall be displayed at half-staff throughout the State of Kansas on the following days each year:
 - i. Peace Officers Memorial Day, May 15 (36 U.S.C. §§ 136-137; Executive Order 2006-7).

3. HONORING MEMBERS OF OUR ARMED FORCES

Because members of our armed forces voluntarily forego comfort and wealth to face hardships and deployments away from family and loved ones while defending our nation's security, the State of Kansas recognizes the duty, honor, and selfless service of all military personnel and remembers those who have given the ultimate sacrifice by laying down their lives to defend the freedoms the United States of America holds so dear.

When a first responder is killed in the line of duty, the sacrifice of both the first responder and the sacrifice of the family should be honored by all Kansans.
- b. Accordingly, the flag of the United States shall be displayed at half-staff throughout the State of Kansas on a day designated by the Governor when a Kansas first responder is killed or dies in the line of duty.
- c. A "first responder" is anyone defined as a "public safety officer" under 34 U.S.C. § 10284, which includes law enforcement officers, firefighters, emergency medical technicians, paramedics, and other emergency response workers.
