

Week 8 – Space Tails

Books for Adults

DB 87493 Spaceman of Bohemia by Jaroslav Kalfar

Annotation: Jakub Procházka has risen from small-time scientist to become the Czech Republic's first astronaut. He embarks on a dangerous mission to Venus. While in space, he takes on a possibly imaginary giant alien spider companion with whom he forms an intense bond. Contains violence and strong language. Commercial audiobook. 2017.

DB 11949 The star beast by Robert A. Heinlein

Annotation: Humorous science fiction tale involves John Thomas and his beloved beast of a pet who becomes an incredible problem with intergalactic implications when space voyagers appear. 1954.

DB 70598 Catalyst by Anne McCaffrey

Annotation: Chessie, a cat who lives aboard a spacecraft with her human, Janina, is kidnapped. Chessie gives birth in captivity, and one kitten forms a telepathic connection with their captor's son. When government disease-control measures threaten the cats, everyone joins forces to save them. Commercial audiobook. 2010.

Books for Kids and Teens

DBC01894 Oskar and Klaus: the mission to Cataria by Travis Bossard

Annotation: Feline friends Oskar and Klaus are back! This time, they prepare to go on a daring adventure into outer space, where they will become the first explorers of an asteroid named Cataria. When a mysterious rock sample threatens to ruin their mission, Oskar's quick thinking helps to save the day. For preschool-grade 2.

DBC16373 Up in space by Jeanne Bender

Annotation: When Lindie Lou and Max land in the Emerald City, a new adventure begins! Lindie Lou says goodbye to Max. Her new owners introduce her to life on a lake and the sites of Seattle. For grades 2-4.

DBC07265 Bluebonnet and Johnson Space Center by Mary Brooke Casad

Annotation: Bluebonnet the armadillo visits the Lyndon B. Johnson Space Center in Houston and takes a ride on the space shuttle. For grades K-3.

DBC12779 Mousetronaut: based on a (partially) true story by Mark E. Kelly

Annotation: A small, but plucky, mouse named Meteor is sure that he can help the space shuttle astronauts, and ends up saving the whole mission. For grades K-3.

DB 99943 Voyage of the dogs by Greg Van Eekhout

Annotation: Lopside and his canine crew are working alongside their humans onboard the spaceship Laika.

When they are abandoned, millions of miles from civilization, survival seems impossible. But these are all good dogs--and good dogs always complete their mission. Commercial audiobook. For grades 3-6. 2018.

DBC13037 Penguinaut! by Marcie Colleen

Annotation: Orville lives at the zoo, surrounded by animal pals who go on exciting adventures. A hang gliding rhino! A deep-sea diving giraffe! Orville struggles to keep up, until one day he concocts an adventure all his own: build a spaceship and fly to the moon. Chosen as the 2019 One Book Colorado book, the story is read by Colorado Governor Jared Polis. Originally recorded in the studios of Denver7, an ABC-affiliated television station. For preschool-grade 2.
