About Digital Books

Statewide digital audiobooks & eBooks are brought to you by the State Library & the individual libraries of Kansas.

On our website:

◊ Links to every digital book service

◊ Full tutorials on how to use each service with every compatible device

A Kansas Library eCard (KSLC) is necessary for most of these services. Get one at your local public or school library.

Youth Materials

◊ All online—no software required. Works on computers & mobile devices.

◊ No limits on how many books you can use.

◊ Use from https://kslib.info/kids or log into http://kslc.org.

BookFlix—video storybooks paired with a related eBook, some games.

TumbleBooks—eBooks, readalongs, and graphic novels, with related games/puzzles

Britannica E-STAX—nonfiction eBooks, PreK-grade 9 reading level books.

Note: Our other systems have juvenile books, but also contain material for adults. These three only have youth books.

eBooks—books you read on screen, multiple options
